### **Active Reading Note-Taking Guide**

Active learning helps you make meaning from what you learn. Being involved in learning means learning through doing. Passive learning does not support remembering, organising and making meaning from the reading passage.

### **Passive and Active Note-taking - truni.sk**

Note taking from reading. It is important when writing notes that you are clear about the purpose of the notes you are producing. Think about what you will do with the information and ideas you are recording from reading written materials e.g. are the notes to help you prepare:

### **Notetaking from reading - The University of Nottingham**

How to take notes. You are probably thinking 'Why talk about taking notes when this section's called "Critical reading techniques"?' Well, it's because making notes is an essential part of the reading process.
