

five simple questions to pdf

5. Combinations – These are questions that blend any combination of the above. You can easily monitor what types of questions you are asking your students through simple tallies and examining degrees of difficulty. Or, if your students are older, then ask them to monitor the types of questions you ask, allowing them to identify the types. For those of you who might be a bit more collaborative or adventurous in your teaching and want to give students some ownership in their educational ...
