important objects of commoditization as well. Though each of these omissions is serious, I shall suggest in the course of this essay that some of them are less important than they might seem.

The social life of things 1 Commodities in cultural

months of life. As development proceeds, Klein suggests, representations of all experiences and relations with significant others also become internalized, in an effort to preserve and protect them. This complex set of internalized object relations is established, and phantasies and anxieties concerning the state of one's internal object world become the underlying basis, Klein was later to ...
